Trenton, NJ 08625

Re: Application for Treatment Works Approval Permit

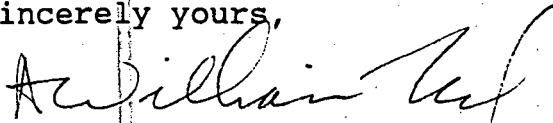

Dear Mr. Maselli:

Please find enclosed form WQM-003, containing all required endorsements, which constitutes the remainder of our application for a Treatment Works Approval (TWA) Permit. The original TWA permit application was delivered to your office on September 21, 1990, as indicated by our certified mail return receipt.

Please note that the WQMP agency will no longer sign Section B of WQM-003, but instead provides a letter of consistency determination, which is enclosed.

If you have any questions regarding this application, please feel free to contact me.

Sincerely yours,

A. William Nosil
Corporate Environmental Engineering Manager

SUPPLEMENT TO THE STANDARD APPLICATION FORM CP # 1

ENDORSEMENTS

NOTICE:

The following citation relates to violations of the Water Pollution Control Act.

N.J.S.A. 58:10A-10 Violations; remedies; fines and penalties; enforcement

Paragraph (f) "Any person who knowingly makes a false statement, representation, or certification in any application, record, or other document filed or required to be maintained under this act or who falsifies, tampers with or knowingly renders inaccurate, any monitoring device or method required to be maintained pursuant to this act, shall upon conviction, be subject to a fine of not more than \$10,000.00 or by imprisonment for not more than 6 months, or by both."

A. Endorsements by the municipality in which the project is to be located.

****CERTIFICATION BY GOVERNING BODY**

This project as proposed is in conformance with the requirements of all municipal ordinances and the Governing Body of this municipality approves of the project as proposed by the applicant:

(Name of Project)

Endorsed by: BOROUGH OF LODI, NEW JERSEY
(Name of Municipality)

Signed*: _____

JOSEPH M. NATOLI BUS. ADMIN. 8-29-90
Print or Type: Name and Title Date

- Cite authorization to sign for the Governing Body _____
Submit the resolution granting such authority to sign. If no such resolution granting authority to sign exists, the full resolution approved by the Governing Body endorsing the project must be submitted with this application.
- ** Where a municipality has created a sewerage authority, utilities authority, municipal utilities authority or a joint meeting responsible for sewers in the area, the endorsement of the affected sewerage authority(ies) required.

885340003

B. Determination by the WQMP Agency

This project or activity, as proposed, has been reviewed by this agency in accordance with the Areawide Water Quality Management Plan (WQMP). The following determination has been made by either the appropriate designated WQMP agency, or the Department (where appropriate).

- ☐ Project is consistent with Plan
☐ Project is not consistent with Plan*
☐ Project is inconsistent with Plan**

(PLEASE REFER TO ATTACHED LETTER OF CONSISTENCY DETERMINATION)

<u>Name of Project</u>		<u>Authorized Signature</u>
<u>Name of Plan</u>	<u>Name (Print or Type)</u>	<u>Date</u>
<u>Name of Agency</u>	<u>Title</u>	

NOTE: For the name of the appropriate WQMP agency, or any other questions, contact the Division of Water Resources at (609) 984-4429.

- * A finding of not inconsistent has the same effect as a finding of consistent.
- ** A finding of inconsistent must be accompanied by a letter describing the reason for the finding.

Sewer systems (interceptors, collectors, pump stations) for residential development of 50 units or more and industrial/commercial and mixed use (including residential) developments having flows of 25,000 gpd or more, do require consistency determinations. Projects that are extensions or modifications to existing projects where the cumulative total for the project is greater than 50 units or 25,000 gpd, as appropriate, shall require a consistency determination (N.J.A.C. 7:15-1 et seq.)

Sewer systems to serve less than 50 units or less than 25,000 gpd do not require a consistency determination but must still be consistent with approved WQM/201 plans.

C. Endorsement by the Sewerage Agency in which the project is to be located.

CERTIFICATION BY THE 201 SEWERAGE AGENCY

This project as proposed is in conformance with the requirements of all Sewerage Agency rules and regulations and the applicable "201" Facilities Plan and the Governing Body of this Sewerage Agency ~~approval~~ of the project as proposed by the applicant.

If the owner is a public agency, cite authorization to sign for the publicly owned treatment works Resolution No. 28 dated 4/12/90. Submit the resolution granting such authority to sign. If no such resolution granting authority to sign exists the full resolution approved by the governing body endorsing the project must be submitted with the application.

- E. 1) Pursuant to N.J.S.A. 58:10A-6 and N.J.A.C. 7:14A-12.1 et seq., no person may build, install, modify or operate any facility for the collection treatment or discharge of any pollutant, including any "extension" as defined in the regulations without the prior approval of the Department.
- 2) Approvals, permits, service contracts or other reservation of capacity issued or agreed to by any participating municipality or sewerage agency does not constitute the required approval of the Department.
- 3) For computation of actual flow at the sewer plant, the average flow processed by the facility for the four (4) month period immediately proceeding the submission shall be used. Under the NJPDES Regulations no application shall be submitted if the waste treatment facility is not meeting its discharge permit limits. Under Sewer Ban Regulations, no project is to be submitted if the sewer plant is committed to 100% of its design capacity.
- 4) The owner of the sewage treatment plant shall submit to NJDEP on a quarterly basis the status of sewage flow entering the plant including all outstanding approved sewer extension permits not yet on line. These reports will be used for tracking capacity at the receiving sewage treatment plant. See Form WQM-007.

**In instances where a time weighted average is written as a permit condition, a single, instantaneous or random short term result should not be used to judge compliance unless expressly stated in the permit.
